Dear Families

Sixth Form Open Evening – Thursday 6 November 2025

It is an exciting time for our Year 11 students as they look to the future after their GCSE examinations. We are excited to present our Sixth Form Open Evening on Thursday 6 November, between 5.30 and 7.30pm.

When students enter our Sixth Form they get to experience much more than high quality teaching and learning. It gives them a unique opportunity to experience being one of the most senior students in the school, playing such an integral part in helping to shape our school, grow as young adults and be role models and mentors for the younger years. This is what makes us such a community focused school, and one that is determined for each and every one of our students to leave with superb skills, qualities and experiences, alongside fantastic qualifications and to go out into the world and achieve great things. Anything is possible.

During the evening there will be a chance to speak with over 30 subjects that we offer across our broad curriculum. There will also be a presentation with key information led by Ms Porter and our wonderful Year 13 students, designed to give you a real sense of what our Sixth Form is all about.

To book into one of the information talks please [follow this link](#) and book up to three spaces. We anticipate it being busy so please book in soon.

You can read all about our Sixth Form by looking at our new website which has been launched this week. You will find information on our courses, our excellent enrichment programme (unmatched in other Sixth Forms!) as well as the wide offer of support and guidance we pride ourselves on.

We look forward to seeing you all there.
