Dear Families

Cologne Trip Confirmation

Thank you so much for your patience and support this morning as we worked quickly to resolve a few technical issues. We truly appreciate your understanding!

The booking process for the Cologne trip is complete, and we are now fully booked!

If you have received a confirmation email and the booking appears in your MCAS app, you can be absolutely confident that your child has secured their space.

For those on the waiting list, please know that we will be in touch immediately if we are able to secure any further availability from our accommodation and travel providers.

Final Call for Residential Bookings

This is a friendly reminder to all parents that booking for our remaining residential trips will close this Thursday afternoon.

We need to confirm final numbers with our travel partners to lock in the advertised prices and finalize arrangements.

- Fully Booked Trips (No Further Spaces): Manchester, Cologne, and the Brecon.
- Space Available! We are delighted to still have spaces on our incredible Geneva trip!

If your child has yet to book a residential opportunity, please book the Geneva trip as soon as possible to secure their place before the deadline.

Thank you again, and we look forward to finalizing these wonderful opportunities!
