Dear Families

## Component One Coursework

The Year 11 Performing Arts and Dance students have been working hard on their Component One coursework focusing on The Lion King.

The hand in deadline is Tuesday 02 December 2025. Students will be receiving feedback on the work they have completed so far over the next week.

Most work is completed during the lesson but students can also access work on Google Classroom so they can continue to work at home. There are also catch up sessions on Monday, Thursday and Friday after school in P12.

Please do contact us if you have any questions.

Yours sincerely
