

07 November 2025

Dear Families

To help make sure your child is prepared for their upcoming mocks, we have compiled a few bits of information below.

On the day of their exam:

- Students are not to go to registration as we will be registering them in the exam room
- Students must go back to lessons after their exam
- If students are sitting their exams in the small B rooms, they must wait by girls toilets in B block where they wait to be called in

As mentioned in a previous letter, we will not be supplying pencil cases for students now and they must make sure they bring their own equipment with them.

Please see below:

- Bring their own equipment in a transparent/see through/clear pencil case containing the following:
- 2 x Black pen
- Green pen
- Pencil
- 2 x Highlighter
- Ruler
- Rubber
- Calculator
- Protractor
- Compass

Also, students are only allowed to use a clear water bottle, examples shown below, in order to meet JCQ requirements.

If you have any questions or concerns, please email the exams team – [sackvilleexams@sackvilleschool.org.uk](mailto:sackvilleexams@sackvilleschool.org.uk).

Yours sincerely

The Exams Team  
Sackville School
