

Dear Year 11 families

The Sixth Form team very much enjoyed the opportunity to get to know our prospective 2026 year 12 intake at our Sixth Form Taster Day last Friday.

Students' attendance and engagement were excellent and many colleagues have commented on the meaningful conversations they had with students about subject choices, future University and careers routes, as well as sixth form life. I hope your child found the day informative and enjoyable too.

Taster Day has now been followed up with visits from our Year 13 student leaders into Year 11 forms on Wednesday morning, as well as the opportunity to discuss students' post-16 study plans with teaching staff at consultation evening last night.

We are delighted to have received many applications already for Year 12 entry next year. Now that students have experienced our sixth form and subjects, I would encourage all students who have not already done so, to submit an application via Applicaa - [click here](#). Even if a student is still undecided about their post-16 options, I recommend submitting an application as it will enable us to take into account their subject choices when designing timetable option blocks next term. If students are unable to locate the Applicaa welcome email with login details (sent to their school email address), please contact Mrs Wright in the sixth form office - jwright@sackvilleschool.org.uk who can assist.

Should you need more information about our subject choices, please follow the link [HERE](#) to our online prospectus.

A reminder that the deadline for sixth form applications is Wednesday 17 December.

If you need any help or have any questions about applications, please get in touch and we will be happy to support you.

Early in the New Year you will receive further information about the transition meetings we will be arranging for all of our applicants, which will provide an opportunity to discuss their subject choices and Futures plans in more depth.

I wish you all a relaxing Christmas break and look forward to meeting more of our Year 11s in the New Year.

Yours sincerely,

Ms M Porter
Head of Sixth Form
