

03 December 2025

Dear Families

Year 8 Information Evening - Wednesday 10 December 2025

We are delighted to invite you to our first Year 8 Information Evening. This important evening provides an important opportunity to highlight how to make the most of year 8, including the academic and extracurricular opportunities available. The evening will start at 4.30pm in the main hall and we expect it to finish at 6.30pm. The programme will include:

- Guidance provided around mental health and wellbeing support, and preparing to support young people through puberty
- Establishing routines at home to promote reading and how to support your child with reading at home
- Information on the importance of engaging in extracurricular activities and details on the extracurricular offer at Sackville
- A workshop focusing on helping your child to learn languages at home.

To help us plan effectively, please sign up for this event via the MCAS app. You will be able to find this event under the clubs section.

You can also find dates for future events in our Together We Achieve Programme, available here: [Together We Achieve Programme](#).

We very much look forward to welcoming you and your child on Wednesday 10 December at 4.30pm, as we work together to ensure that Year 8 students make the most of every minute at Sackville.

If you have any questions, please email me – emance@sackvilleschool.org.uk.

Yours sincerely

Mrs Eilesh Mance
Year 8 Lead and Community Leader for Yousafzai

Miss Kate Barnes
Assistant Headteacher
