Dear Families

## LGBTQ+ Support and Opportunities at Sackville School

Building on the positive impact of our Pride Week in June 2025, I am delighted to write to families to outline additional opportunities and support for members of our Sackville Community who identify as LGBTQ+, or who may be exploring their identity.

This year we are working in partnership with the youth charity Allsorts.

“Allsorts Youth Project listens to, connects and supports children and young people under 26 who are lesbian, gay, bisexual, trans, queer, or exploring their sexual orientation and/or gender identity (LGBTQ+). We also support their parents and carers.”

Further information about Allsorts can be found here, on their [website](#).

As such, we are excited to be able to offer a series of five small group sessions for students in school, between now and the end of the academic year. If you feel your child would benefit from this support, I warmly invite you to complete the short enquiry form below, expressing your child's interest in this.

The link to the enquiry form for expressions of interest is [here](#).

Furthermore, we are aiming to launch a Sackville Equalities and Diversity extra-curricular group later this year. This is an opportunity open to all members of our wonderful community, to come together, share and celebrate what makes us all unique! Further information of how to get involved will be shared with families later in the spring term.

Yours sincerely

Miss Kate Barnes  
**Assistant Headteacher**
