

9 February 2026

Dear Families

KS4 Options – Reminder Deadline

Just a polite reminder that the completed options forms are due by the end of Friday 13 February. The main options need to be selected on MCAS. If you have any problems using this, you can access this on a PC. If there are still problems, please email me directly at jcollett@sackvilleschool.org.uk

A few problems some have experienced are:

- Music - only one option is available - please select this if you want to do GCSE Music or BTEC Music Practice - we will then be in touch about your preference
- Reserve options - add as many as it allows - because of the MFL option, the form doesn't always work perfectly in terms of reserves

Please also complete the Google Form below which collects your child's preference for Science, as well as some feedback on the process.

[Science Options and Feedback](#)

Please remember subject details can be reviewed at:

[Key Stage 4 - Options Info](#)

Thanks for your ongoing support. We will be in contact in early May with the proposed options for each child. At this point, students will have a window of opportunity to make changes.

Yours sincerely

Mr J Collett
Assistant Head

Mr P Turner
Angelou Community Leader / Year 9 Coordinator
