

10 February 2026

Dear Families

Berlin Information Evening - Wednesday 25 February 2026

I would like to invite all parents and students to a parent information evening on Wednesday 25 February at 5.00pm online. It will last no more than 30 minutes or less.

I have set up a Google Meet video link which can be found [here](#).

During this short session, we will be able to:

- Share the confirmed itinerary inc. accommodation details
- Confirm meet/pick up time and location, discuss luggage restrictions
- Outline behaviour expectations
- Give parents/carers the opportunity to raise any questions you may have.

Passport numbers and validity have been checked, but a further reminder that students need to have a valid GHIC/EHIC card. Applications can be made here if not [NHS Healthcare Abroad](#).

I look forward to seeing you all then.

Yours sincerely

Mrs Kelly Morris
