### How to prepare for NEA

**Attendance** at lessons is very important. This includes arriving on time and being fully prepared and ready to engage in work upon entering the room.

**Completion of notes** is particularly important. That involves keeping up to date with all the work and going over class notes.

We have been impressed by you so far, so I do hope this continues. Any queries or concerns, please ask Mrs Sands or me.

Yours sincerely

Mrs Helen Valentine
