

02 March 2026

Dear Families

Sackville Sports Awards Evening – Thursday 07 May 2026

On behalf of the Sackville School PE department, I would like to bring you details of this year's Sackville Schools Sports Award evening.

If your child has taken part in extracurricular activities, GCSE, CNAT, A Level or CTech, and Sport Leadership at Sackville this academic year, we would like to offer them the opportunity to attend this event.

All students who attend will be rewarded for participation, while Year 9 and Key Stage 4 and 5 students will be in with the chance of winning an achievement award.

The event will be held on Thursday 7 May 2026, in the main hall at Sackville School. We would like to invite students to arrive at 5.00pm for a sit down meal. We would also like to invite parents/carers for drinks from 5.45pm. The awards ceremony will commence at 6.00pm and we envisage the evening finishing around 7.45-8.00pm. All students must attend both the meal and presentation.

This year's guest speaker is local hero, Marathon Man, James Cooper. In 2024, James achieved the remarkable feat of completing 366 marathons in 366 days. James raised over £85,000 during the course of the year, and continues to raise money for the Samaritans. A percentage of each ticket sold for this event will be used to make a donation to the Samaritans.

The cost of the evening will be £14 per student, to cover the expense of the medals, meal and our host speaker. We ask that you make payment via the MCAS app, this can be found under the products section. There will be no charge for parents/carers to attend. Please make payment and complete the google form [here](#) to give permission for your child to take part, confirm parent attendance and to select your food choice, by Friday 27 March 2026.

We never want cost to be a barrier preventing members of our Sackville Community achieving their best so we will fund this product for any student entitled to Pupil Premium funding. If you think cost is an issue and you are not eligible for this, please contact your community for support.

Please ensure that students uphold a dress code of smart attire:
Boys - Shirt, and smart trousers (no jeans or tracksuit bottoms).
Girls - Dress, skirt or smart trousers (no jeans or tracksuit bottoms).

We believe this is an excellent way to round off a superb year of school sport; highlighting the outstanding commitment and progress made by individuals and teams, celebrating academic achievements, sport leadership and physical education as a whole at Sackville.

We look forward to celebrating with you.

Yours sincerely

Mr Jake Endersby
CTL of Physical Education
