TOGETHER WE ACHIEVE

# Families Bulletin

Monday 20 April 2026 - Friday 24 April 2026

## HEADTEACHER'S MESSAGE

Dear Families

Welcome back to the start of the summer term.

I hope that the Easter break has been a pleasant one and that your child has returned to school ready for the term ahead. They certainly look as though they have this first week back, with calm and purposeful lessons, focus from Year 10 and 11 students involved in photography, drama and PE exams/moderation and a lovely buzz on the fields, which have reopened at break times in the dry weather.

The summer term is always one of mixed emotions. We quite rightly take time and care to walk alongside students taking formal examinations and help prepare them for the next exciting stage of their education. Many are quite understandably nervous about what lies ahead, that is only natural. I know with the support they will get from school, home and each other, they will do themselves proud.

In many other ways, the summer term seems to open up engagement and possibility as the days are brighter and longer. New clubs are starting and we have the wonderful Curriculum Enhancement Week to look forward to. I would like to thank all of those families who have supported our planning by completing payments for trips well before Easter. With one very small exception, all trips are now booked and paid for well ahead of schedule and we can look forward to a brilliant few days with the students at the end of term.

Before then, it is business as usual as students work through the Summer 1 curriculum, details of which can be found on our website here [Key Information - Curriculum](#). We also have a number of trips and activities taking place across the term, as well as plenty of clubs for students to take part in, including a brand new opportunity with Mr Jones from the PE Department and a Level 3 LTA Coach launching his Saturday Tennis Academy for all abilities. All we need now is for the sun to keep shining and our students coming to school each day modelling the Sackville Way (SWAY), showing RESPECT, KINDNESS and being PREPARED.

Jo Meloni

Headteacher, BA (Hons), NPQEL

Week: A

Timetable: 4 + 1

# Hot Chocolate With The Head

What a delightful start to the term with the first Hot Chocolate being spent with members of the Attenborough Community. We had a fantastic group of young people, some of whom have overcome some recent challenges who have shown incredible grit and determination and are making excellent progress; others such as Nalia and Annaie are wonderful role models in their approach to school and in their support of others.

Speaking of great leadership it was lovely to celebrate all that Lucy has done as Head Student this past year with the younger students. Both Lucy and Bruce in Year 13 are looking forward to their life post-Sixth Form, at University and perhaps a GAP year first for Bruce. It was lovely for us all to hear about their plans and aspirations, rather than focusing too much on their exams. They have done most of the hard work now and being able to look ahead is a really healthy approach for them.

Well done to all of the students for their nominations. Archie (Year 7), Nalia and Kitty (Year 8), Ethan and Annaie (Year 10), Idah and Aaron (Year 11); Lucy and Bruce (Year 13).

Keep up the good work.

## Maths Sparx

Student	Year Group	SPARX XP Points
Ethan Hunt	7	1,085
Ozzy Harris	8	730
Sahar Wolff	9	3,280
Mikas Povilaitis	10	1,365
Jasmine Miles	11	2,685

Congratulations to our top performers for last week in SPARX Maths!

## Numeracy: How do you use it at home?

Next week, I will be running a series of assemblies focused on why numeracy really matters beyond the school gates. We often hear students ask, "When am I ever going to use this?" and I am hoping they will leave with some clear examples of why being numerate is so important.

During form time, students will also explore practical examples, from working out timings and comparing offers, to understanding what a payslip or a credit card statement is telling them.

We'd love for you to join the conversation at home. It doesn't need to be a formal lesson - simply discussing how you use numbers to plan your time or manage a budget makes a huge difference in how students view the subject. We want them to feel confident and competent when it comes to numeracy; not just for managing their finances, but so they can be critical individuals who question things when the maths doesn't seem right. Thank you for your support!

Emma Weatherby

**Numeracy Lead**

## GCSE Speaking Exams

A reminder that Year 11 students in Spanish, French, German - and our home languages (Polish, Russian, and Persian) - will sit their GCSE Speaking Exams on the week commencing 27 April 2026. Students will shortly be given their exam time and location by their teacher - thank you for all of the continued support you are giving them in their preparation and making sure they arrive on time. We look forward to celebrating their successes with them in just over a week.

Languages Department

## Food Technology

The chef will be coming in to teach Year 9 DT classes and make ramen noodles. This will take place on Thursday 23 April 2026 - Periods 1 to 4.

Mrs Vicky Slater

**CTL of Food Design Technology**

## Safeguarding

### Mental Health and School Routine

Routine and structure are essential for good mental health. A consistent school schedule gives young people purpose, stability, and predictability and is especially important during the teenage years.

We will always contact you if we are concerned about a child's attendance. If you are worried, please do not hesitate to contact your child's tutor, the Community team or Miss Harper in the attendance office.

KEEPING OUR STUDENTS SAFE IS EVERYBODY'S RESPONSIBILITY

## Together We Achieve

Please find the live link to our Together We Achieve Programme here - [Together We Achieve 2025-26](#)

## Book of the Week

### Book of the Week

We are delighted to be welcoming back author Lindsay Galvin, who will be talking with Year 7 this week about how she comes up with ideas, the process of writing a book, how to get into writing, as well as answering students' questions. You can find out more about Lindsay Galvin and her work [here](#).

Our Book of the Week this week is Lindsay's *The Great Phoenix of London*, a gripping historical adventure set against the backdrop of the Great Fire of London.

## Extra-Curricular Opportunities

The link for next half terms extra-curricular sessions can be found here:

### [Extra-Curricular Opportunities Summer Term](#)

The 'live' document shows our sessions, and new clubs may appear throughout the term. These will be communicated through this document and the Families Bulletin. Once in the document please scroll across to the year group relevant to your child.

Mr Ashley Vallally-Godfrey  
**Associate Assistant Headteacher**

## Sackville News

We also publish a half termly newsletter and the latest edition can be seen here: [Sackville Newsletter](#).

Next publication date: **Friday 22 May 2026**

## Current Vacancies

We have two support staff roles available at the moment. If you would be interested in any of the following or know anyone else who may be, please call Katie Dawson, Headteacher's PA for more information, or apply directly following these links:

- [Exam Invigilators](#) - Next Interviews in July due to exams
- [Catering Assistant](#) - Closing Tuesday 30 April 2026

## Futures - Find It Out Thursday

### Find it Out Thursdays

This is a chance for students to explore different professions and learn from those that are in that industry and can give a first hand experience. Different industries are highlighted each week and students have the opportunity to attend one talk per half term. When these terms talks have been confirmed, students will be able to sign up using a Google form that will be sent out. Students can come along and start to investigate career paths open to you and discover the skills that you will be required to develop to join that industry.

This term we have talks on the Mortgage Industry, Civil Engineering, RAF and Norland Nannies. Please use the google form to book on this [link](#).

We are always looking for people to come in and speak to students about their jobs and professions. Would you be willing to share your experience and join part of our Find it out Thursday program? Please contact Helen Smith on [hsmith@sackvilleschool.org.uk](mailto:hsmith@sackvilleschool.org.uk).

Volunteers for Mock Interviews  
Required

Would you be will to be an  
interviewer for the day?

Where: Sackville School  
Date: 20<sup>th</sup> March  
Time : 8.55am to 2.55pm  
(Can be split to morning or  
afternoon)

If you are to help contact  
Helen Smith at  
[hsmith@sackvilleschool.org.uk](mailto:hsmith@sackvilleschool.org.uk)

# Medication, Illness and Vaccines

## NHS Guidelines

Please find some useful information [here](#) from the NHS on when to keep your child off school.

## Medication

To ensure that we continue to support students when they are unwell, we need to make sure our records are up-to-date. As a school we will continue to administer ad-hoc medication as per the consent slip you have completed. If you wish for this to change, please contact the relevant year team. Should your child be diagnosed with any new medical condition please contact us. In addition, should your child's medical condition change (i.e., they no longer need to use their inhaler) please contact their community team.

We will continue to provide the support and medical assistance you have already agreed to unless we hear from you.

## Illness

In order to keep the more vulnerable members of our school community safe, a reminder to inform the school if your child contracts any of the following: Chickenpox, Shingles, Measles or Mumps. Please call the relevant community office, thank you in advance.

## Lost Property

Please can we ask that you check the lost property list above for items missing and encourage students to look in lost property for their missing items. Can we remind parents to name everything for a much higher chance of relocating lost property to their rightful owner.

Please find the list of lost property items [here](#).

# External Clubs, Sports, Services and Events

## Meridian Rotary

## Carousel Homework

### Five ways to support your child with their Carousel homework

Carousel is an online quizzing platform that we use for homework. Students have access to question and answer flashcards which they use independently to learn important knowledge and then complete a quiz to test their knowledge.

As time goes on, students will learn more and more in school. In order to make sure they don't forget all this information, Carousel uses evidence-based strategies to help strengthen their memories over the long term.

**1** The best way to use Carousel is over time, not just all in one evening. Instead of doing all the work the night before it is due, make sure students do one short round of flashcards on one day, another round of flashcards on another day and the quiz on a third day. As much as possible, they should spread it out. For example:

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
Teacher sets homework	5-10 mins flashcards	10-15 mins flashcards	Quiz + mark	5-10 mins flashcards	Retake quiz	Homework due

**2** When they are doing the flashcards, make sure they are speaking out or writing down their answers, rather than just thinking about it in their heads.

**3** Ask them some questions from the flashcards and make sure that their answers are the same (or very similar to) the flashcard answers.

**4** Mark their quiz with them and make sure they are being honest about what they got right and wrong.

**5** Make sure that if they get less than 80% on the quiz, they go back to the flashcards first, and then retake the quiz.
