Dear Families

## GCSE and A-Level Spanish Immersion - February 2027

We are exploring the possibility of organising an immersion visit to Spain for our current Year 10 and 12 Hispanists, alongside Year 11 students who have chosen to study A-Level Spanish at Sackville from September.

While no guarantees can be made at this stage, we are working with a number of providers and are hopeful of finding an engaging, enjoyable and reasonably-priced trip which will enrich our students' language abilities and understanding of Spanish culture.

Due to the vital importance of our GCSE and A-Level students being in school for as many lessons as possible, any proposed visit would take place during the February half term holiday, from Monday 15 - Friday 19 February 2027.

To assess the feasibility of running the trip, we are asking interested students/families to complete the attached [Google Form](#), which will take under two minutes, in order to check the viability of organising a trip at a time when a number of families often choose to travel or spend time away. Please note that completing the survey does not constitute a commitment, nor guarantee any place on a visit, and is simply an expression of interest at this stage. Further details regarding any potential trip will then be circulated in due course once arrangements have been made with our chosen tour provider.

Thank you in advance for your time - we are very hopeful that we can find an exciting opportunity for our Spanish students.

Yours sincerely

Mr Sam Francis  
Curriculum Team Leader Languages
