Dear Families

## Watching Schindler's List in Beliefs and Values lessons

Firstly, may I thank you for all the support you are giving your child during the Beliefs and Values (Religious Studies) GCSE exam period. The first exam went very well and we look forward to a similar experience with the second paper on Wednesday 20 May.

I am writing now to let you know that, as is traditional at Sackville School, we will be moving on to watch the incredibly powerful Holocaust film, Schindler's List, in Beliefs and Values lessons after the exams are over.

Schindler's List is widely regarded as one of the most powerful films about the Holocaust, following the story of industrialist Oskar Schindler who saved 1,200 Jews through his work in Poland and Czechoslovakia. The film is moving and, at times, distressing, as it depicts violence from the Holocaust. It has a rating of 15, which is why I am emailing you today. If you are **not** happy for your child to view this film please contact me via email at [amorris@sackvilleschool.org.uk](mailto:amorris@sackvilleschool.org.uk) to let me know. Alternative arrangements will be made for any students withdrawn from these lessons.

Thank you once again for your ongoing support.

Yours sincerely

Mr A Morris

**Curriculum Leader of Beliefs and Values**
