

03 June 2026

Dear Families

Just a reminder that Sackville has become part of the FACE training family, giving all parents access to free online talks around topics such as anxiety, anger and specific areas of SEN. The new timetable for June is included below.

FACE gives practical, accessible and affordable support to parents and professionals who support school-age children and teenagers; they offer online presentations on a range of different topics, this month's topics are attached and we will be publicising these monthly.

The Sackville Discount Code is **SV300426**

This code grants all Sackville parents' unlimited access to all FACE Parent Talks (usually £24 each) for the next 12 months.

The talks are on a four-weekly rotation and alternate between morning sessions (10.00am -11.30am) and evening sessions (7.00pm-8.30pm).

Links to recordings of the talks are available for 48 hours after the live session. If you cannot make a live session, book on anyway and you will automatically be sent a recording link for that session. The recording links stay open for 48 hours after the live session has taken place. They are then deleted.

How to Use the Code:

Visit the **PARENTS – Live Talks** page of the FACE website (facefamilyadvice.co.uk) to view the 16 regular talks for parents.

Choose a topic and click through the booking calendar to find a date and time that suits you. Click on the time box.

At the payment stage of booking, keep moving through the pages as instructed until you get to the page that has the **ADD PROMO CODE** box on it.

Enter the code **SV300426** this will reduce the price from £24 to £0.

Yours sincerely
