Dear Families

CEW Thorpe Park – Year 10

This is just a quick email to let you know the details for the CEW (curriculum enhancement week) trip to Thorpe Park on Friday 17 July.

We will be leaving promptly from school at 8.30am, so we must ensure all students arrive at school by 8.00am and we will meet in the dining hall.

We kindly ask students to wear appropriate clothing for the day. Clothing that would be appropriate for an 'own clothes day' at school is acceptable. Please be aware that students may get wet on certain rides and not wear clothes that they mind getting wet and potentially dirty.

We would advise bringing sunscreen and a hat if the weather is hot and to remind students to bring plenty of water and food should they not wish to purchase food from venues at Thorpe Park. Please be aware that food and drink purchased at Thorpe Park can be expensive and to bear this in mind when providing your child with money or the means by which to pay for food and drink on the day.

Students who would normally have lunch provided by the school will be provided with a packed lunch on the day that they will be able to collect from staff at lunch time.

On arrival at Thorpe Park, which should be about 10.00am, we will take all the students to a designated area, likely to be the KFC in the centre of the park. This will be where the teachers will be based for the day and there will always be members of staff there to deal with any situation that may arise. We will also expect the students to check in with staff once during the day between 12.00pm and 1.00pm.

Other than that, students are free to roam the park as they wish, but we would like students to stay in groups of at least two to three minimum.

We will meet back at KFC at 5.00pm where we will complete a register and then get students back onto the buses. We hope to return to Sackville at about 6.30pm. We will encourage students to contact you when we are approximately 30 minutes from school so pickups can be arranged if needed.

Should you have any questions regarding anything above or you have further questions, please feel free to contact me - thasler@sackvilleschool.org.uk.

Yours sincerely

Mr Tom Hasler
