19 June 2026

Dear Families

In light of the impending warmer weather and to help our school community manage the higher temperatures, we are implementing a series of temporary measures for the week beginning Monday 22 June 2026.

Temporary Uniform Adjustments

We are temporarily relaxing our summer uniform policy. **All students** will have the option of wearing their school PE kits (shorts and Sackville PE tops) instead of formal school uniforms. This will help students, particularly those who do not already wear school shorts or skirts to stay cooler throughout the school day.

Sun Protection and Hats

We strongly encourage all students to bring and wear wide-brimmed or peaked hats during break and lunch times to provide maximum shade. Please ensure that suncream is applied to your child before they leave for school in the morning. Please encourage your child to stay indoors or in shaded areas at break times, to compliment what duty staff will remind them of throughout the week.

Hydration

Staying hydrated is critical during hot weather. We strongly encourage students to keep water bottles on their desks and refill them regularly at break times during the school day.

Thank you for your continued support in keeping our students safe, comfortable and able to learn in warmer weather.

Yours sincerely

Sackville School
