

26 June 2026

Dear Families

Curriculum Enhancement Week - MultiSports

My name is Mr Endersby, and I am overseeing MultiSports for Curriculum Enhancement Week from Wednesday 15 July to Friday 17 July 2026.

I am writing today to share important information regarding expectations, our itinerary, and general advice for these three days to ensure the experience is as safe, successful, and enjoyable as possible. Each morning, we will meet in L02 for registration at 8.25am. We will be taking registers as normal during both the morning and afternoon sessions. Excellent attendance and punctuality are incredibly important so that we can kick off our activities on time.

We will be spending time outside each day. Assuming the summer weather cooperates, please ensure your child comes prepared with:

- **Wednesday** - Sports kit and trainers
- **Thursday** - Sports kit, maybe a couple of t-shirts due to the intensity of the circuit training session. Swimming costume and towel.
- **Friday** - Please can you bring shoes that you can get wet in - beach shoes are fine or old trainers. You should plan to get wet, so ideally shorts and t-shirts with swimwear underneath for girls (and boys in speedos). As it is quite warm, we might have the option to not wear the wetsuits. Feel free to bring your own wetsuits or rash vests, alternatively the venue will provide a wetsuit at no extra cost. On top of this, it would be good to bring a complete set of clean and dry clothing to cover all eventualities.

The Itinerary

- **Wednesday 15 July** - School based sports activities
- **Thursday 16 July** - K2, Crawley. Activities will be squash, badminton, circuit training and swimming.
- **Friday 17 July** - Mercers Lake. Depending on the weather conditions, notably the wind, activities could include paddleboarding, windsurfing, kayaking and raft building.

I am really looking forward to spending these three days with the students. If you have any questions, concerns, or specific updates regarding your child ahead of the week, please do not hesitate to get in touch - jendersby@sackvilleschool.org.uk.

Yours sincerely

Mr Jake Endersby
Trip Leader
