

Families Bulletin

Monday 08 June 2026 - Friday 12 June 2026

HEADTEACHER'S MESSAGE

Dear Families

It does not feel like we have only been back a week after the half term break because it has been filled with so many things to share.

On Monday we had the second **Federation Dance show** held at Chequer Mead. 26 of our students took part in this annual event and did a fabulous job, representing the school so brilliantly.

On Tuesday **Year 8** were given a special assembly by an organisation called **Dare to Dream**. The focus of which was on ambition and confidence to achieve and to create a future and career they enjoy and can be proud of. There was one particular phrase the team used with the students that really resonated and will look for opportunities to keep reminding students of:

"I am worthy
I am capable
I am enough"

One particular highlight of my week was last night when I got the opportunity to go on a **trip to the theatre** with a delightful group of **Year 10 Performing Arts students**. It isn't the type of thing I get to do very often anymore but it reminded me of just how beneficial it is when staff are able to spend time with students outside of the normal curriculum. We really pride ourselves on the number of trips, visits and other activities we put on in addition to the taught curriculum and each one gives a unique opportunity to develop skills and confidence but also to build positive, trusting relationships that last both between students and students and adults.

On a separate note, some of you may have been watching South East today yesterday and spotted both myself and the Head from Imberhorne on the programme. If you missed it don't worry (I am sure you cannot find it on catch-up!) The segment was about a recent campaign I have been part of, alongside the majority of secondary headteachers in West Sussex to raise some renewed awareness around what we believe to be an **unfair funding** system for schools meaning students in West Sussex are essentially 'worth less' than even our south east county neighbours.

Finally, we have the last of our Family Focus group meetings next week, 10 June at 4pm, and it would be great to see many more of you there, particularly as we have two important initiatives we would love your feedback on. Masters of Knowledge and a proposal to introduce 1:1 devices. You can read more about both these things in a letter [here](#) alongside details of how to sign up.

PS Hamilton was brilliant if you have not yet seen it!

Have a lovely weekend.

Jo Meloni

Headteacher, BA (Hons), NPQEL, CPCC

Hot Chocolate With The Head

I had the pleasure of sitting in with Ms Meloni this week and getting involved with hot chocolate. The students discussed the highlights of their year, some of which were being able to do the subjects that they had chosen, one of which saying art was their highlight, which pleased me greatly.

Year 9 student Finley shared that his highlight was also options related and that he was planning to choose photography, again another win for the art department.

Samson (year 7) and Louie (year 8) have been enjoying the sports on offer here, especially football; Lauren in Year 12 was nominated for outstanding work in criminology which she was really enjoying. She plans to train up as cabin crew for a few years before taking on a criminology degree.

Ebony (Year 7) mentioned how well she has settled in at Sackville, and is enjoying her lessons.

And finally, I was very happy about getting the Artsmark Award, which is a recognition for the commitment and creativity of the arts within an educational setting.

Thank you for having me and well done to everyone for your nominations.

Sarah Stirling
CTL of Art

Why Partial Absence Still Matters

Some absences, like leaving early or arriving late, might seem minor—but even missing one lesson per week adds up. Every subject and lesson contributes to your child's progress. Encourage full days, every day, wherever possible.

We will always contact you if we are concerned about a child's attendance. If you are worried, please do not hesitate to contact your child's tutor, the Community team or Miss Harper in the attendance office.

Safeguarding Leads:

Mr Millican - amillican@sackvilleschool.org.uk

Book of the Week

Book of the Week

This week's books of the week are two recent recommendations from students.

From Year 7, we have *the Summer I Turned Pretty* by Jenny Han.

This massive bestseller has been adapted into an acclaimed TV series, featuring summer romance and memorable characters.

From Year 8, we have *Crystal of Storms* by Rhianna Pratchett

With over 20 million copies sold worldwide, this enormously popular choose-your-own-adventure fantasy book is enjoyed by students and young people the world over.

Sackville News

We also publish a half termly newsletter and the latest edition can be seen here: [Sackville Newsletter](#).

Next publication date: **Wednesday 22 July 2026**

Current Vacancies

We have two support staff roles available at the moment. If you would be interested in any of the following or know anyone else who may be, please call Katie Dawson, Headteacher's PA for more information, or apply directly following these links:

- **Exam Invigilators** - Next Interviews in July due to exams

Futures - Find It Out Thursday

Find it Out Thursdays

This is a chance for students to explore different professions and learn from those that are in that industry and can give a first hand experience. Different industries are highlighted each week and students have the opportunity to attend one talk per half term. When these terms talks have been confirmed, students will be able to sign up using a Google form that will be sent out. Students can come along and start to investigate career paths open to you and discover the skills that you will be required to develop to join that industry.

Next term we have talks from people in the Police Force, Human Resources and Financial Services Project Management with more to be added. If you are interested in any of these talks please use the google form attached in this [link](#) to sign up.

Thursday 04 June 2026 - Police

Thursday 18 June 2026 - Human Resources

Thursday 02 July 2026 - Financial Services Project Management

We are always looking for people to come in and speak to students about their jobs and professions. Would you be willing to share your experience and join part of our Find it out Thursday program? Please contact Helen Smith on hsmith@sackvilleschool.org.uk.

Please find information on Degree Apprenticeships [here](#).

Medication, Illness and Vaccines

NHS Guidelines

Please find some useful information [here](#) from the NHS on when to keep your child off school.

Medication

To ensure that we continue to support students when they are unwell, we need to make sure our records are up-to-date. As a school we will continue to administer ad-hoc medication as per the consent slip you have completed. If you wish for this to change, please contact the relevant year team. Should your child be diagnosed with any new medical condition please contact us.

In addition, should your child's medical condition change (i.e., they no longer need to use their inhaler) please contact their community team.

We will continue to provide the support and medical assistance you have already agreed to unless we hear from you.

Illness

In order to keep the more vulnerable members of our school community safe, a reminder to inform the school if your child contracts any of the following: Chickenpox, Shingles, Measles or Mumps. Please call the relevant community office, thank you in advance.

Lost Property

Please can we ask that you check the lost property list above for items missing and encourage students to look in lost property for their missing items. Can we remind parents to name everything for a much higher chance of relocating lost property to their rightful owner.

In Motion Collective - Local Performance Opportunity for Students

In Motion COLLECTIVE

Love to dance? Love the stage?

Join our dynamic Ballet & Contemporary company this winter - for dancers aged 8-18 of all abilities and aspirations, offering the opportunity to train in a fresh, modern style and experience the magic of performing in a professional theatre.

No pressure - just passion, creativity, and unforgettable stage moments. Come dance, perform, and shine with us.

Rehearsals - Sundays term time September to December
Show Night - Sunday 13th December
Cumnor House Sussex
infoinmotioncollective.co.uk

Movement that inspires
ABOUT THE COMPANY...

In Motion Collective exists to empower young ballet and contemporary dancers to move with intention, grace, with honesty, and perform with joy. We break down the boundaries between technique and emotion, encouraging artistic risk while nurturing a bold new generation of performers whose voices are found through movement.

Our vision is to redefine how young dancers experience training and performance, valuing expression as highly as technique, and courage as highly as control. As In Motion Collective dancers are not shaped to fit a mould, instead, they are empowered to move, question, and create with fearless authenticity. Here, individuality is celebrated, and young dancers are supported to explore the full range of who they are through movement.

Performers will take part in three significant milestones in preparation for a live stage production. The performance is a modern ballet that tells a compelling story, blending classical ballet technique with contemporary movement.

Who we are

IN MOTION COLLECTIVE
800 074 181

IN MOTION COLLECTIVE
800 074 181

The journey to the stage

Venue: Cumnor House School, London Road, Ditchling, Hoveville Heath, BN27 7ET
Schedule: Rehearsals run every Sunday from 20th September to 4th December (during term time)
Auditions: Sunday 28th June 2026, £15.00 fee (at Cumnor House School)
Show Dates: Sunday 13th December 2026 (at Cumnor House School)
Age: open to all aged 8-18
Opportunities: solos, duets, small groups and large group dances, the chance to shine, to be seen, to be heard, to be part of a team, to be part of a story, to be part of a journey.

Step into a live stage performance

Being a part of In Motion Collective means your dancer will be working towards a professionally produced performance, giving dancers the chance to be part of a high quality, professional production. Our aim is for every child to feel supported, confident and excited throughout the process, enjoying the experience whilst discovering their individual strengths on stage!

Our production this year will be:
"The Journey to the Stage"
A modern ballet set to the music of the 1950s, telling the story of a young girl's journey to the stage.

Auditions: at In Motion Collective are designed to be fun, friendly and a positive experience for all dancers. Rather than competing to find those who are the best, we are looking for those who are the most enthusiastic, who are willing to try, and who are happy to be part of a team.

Gulliver's Work Experience

GULLIVER'S

WORK EXPERIENCE

MAINTENANCE & ENGINEERING

DISCOVER THE EXCITING WORLD OF MAINTENANCE & ENGINEERING AT GULLIVER'S!

A hands-on careers experience designed for young people interested in engineering, maintenance, problem-solving, and the leisure industry.

WHAT THE DAY INCLUDES

CAREERS TALK (APPROX. 90 MINUTES)

- The history of Gulliver's and an introduction to the leisure industry
- Exploring the wide range of maintenance and engineering careers available
- Routes into the industry through college, university, and apprenticeships
- Behind-the-scenes tour of the resort, including rides, grounds, and maintenance areas
- Talk and video presentation from a maintenance engineer

INTERACTIVE CAREERS WORKSHOPS

Participants will work in smaller groups and complete 2-3 practical activities led by our Rangers.

- RISE INSPECTION & SAFETY CHECKS**
 - Why ride inspections are essential
 - Fault finding and QR code checks
 - Different wheels project
 - Health & Safety procedures
 - Ride envelopes and lock-off systems
- RISK ASSESSMENT CHALLENGE**
 - Understanding risk assessments
 - Why they are important
 - Hazard spotting exercise
 - Complete a risk assessment sheet for a ride attraction
- DESIGN & BUILD A RIDE**
 - Explore different ride types: water, vertical, track-based and more
 - Learn about gravity and forces
 - Design your own attraction
 - Present your ideas and discuss what makes a great ride
- RISE STRIP-DOWN WORKSHOP**
 - Learn about ADPS safety standards
 - NOT testing and Planned Preventative Maintenance (PPMs)
 - Reassemble wheels on a ride vehicle
 - Harness fitting and Working at Height (WAH) safety activities

SKILLS YOU'LL DEVELOP

COMMUNICATION, PROBLEM SOLVING, TEAMWORK, LISTENING SKILLS, PRESENTATION SKILLS, DECISION MAKING, UNDERSTANDING SAFETY-CRITICAL PROCEDURES

STEM - University Pathway

Silver STEM Futures: University Pathway

STEM Futures: University Pathway (previously known as Virtual Insight into University) is a comprehensive virtual experience that helps students explore STEM degrees, apprenticeships, and related careers. It offers access to university life, STEM projects from top UK universities and global companies, first-year lectures, and live sessions with academics, admissions tutors, apprentices, employers, and current students.

"I absolutely loved the course. It has helped me discover my true passion, and love which I hope to pursue in the future."

Course topics

- Hear from STEM professionals at top UK companies, from early-career apprentices to senior leaders and recruiters, about their journeys, inspirations, and projects.
- Join exclusive live Q&A sessions with STEM professionals, admissions officers, students, and professors in a supportive environment.
- Get expert advice on university applications, interviews, admissions tests, student finance, and support services.
- Take part in hands-on STEM activities like bridge building, creating an academic poster, and flight experiments.

100% of students increased their awareness of STEM opportunities available to them

92% of students felt the skills and knowledge gained from the course would have a positive impact on their future studies or career.

Course requirements and registering your interest

This course is open to all students aged 16+ who have a genuine interest in STEM subjects and is suitable for all abilities. To apply, please visit our website [here](#).
