HEADTEACHER'S MESSAGE

Dear Families

As we reach the end of another incredibly busy and productive term, I wanted to take a moment to reflect on everything our school community has achieved. You will see some of this through the pages of our Sackville News that showcases many of the things our students have been getting up to within and outside the classroom.

I am incredibly proud of our students. Interacting with them in lessons and around school is the best part of my job. They never cease to amaze me with their energy, honesty and attitude. Seeing the year 11 students and how they have been approaching their exams has been phenomenal. They were just Year 7 when I arrived at Sackville and have grown and matured so much in that time. Our Year 10 students have been just as great in their approach to their B&V GCSE. I am looking forward to seeing how they get on in the summer and what they will have learnt to take forward into next year's exams.

Staying with the theme of exams, our wonderful Year 13 students are in the process of taking exams that will open a massive new chapter in their life. They are all doing so brilliantly. We know how much effort they have already put into preparing for these exams.

We wish all students the absolute best of luck with their ongoing revision over the half term break and I hope they remember to balance their study time with well-deserved rest. We are all rooting for them.

And to the rest of our school community. Students in years 7-9 and year 12 have also been working hard. With just over seven weeks to go, I wonder what else might be possible. There is knowledge to be deepened, questions to be answered, clubs to be joined, and charitable and volunteering to be done. We challenge students to be ambitious and to be the best version of themselves. I wonder what they will be able to achieve before we head into the final week of term and the fun and excitement of CEW!

Of course none of this would be possible without the unwavering commitment of our team. I am immensely thankful for our dedicated staff, who work tirelessly day in and day out to create a supportive, challenging, and nurturing environment for our young people. Their passion and hard work ensure that our students have the best possible opportunities to thrive.

School will be closed for the half-term holidays with the exception of some revision sessions for year 11. Please see a separate letter from Mr Cowlin outlining these and arrangements for Year 11 after half term.

We reopen to all students at the usual time on **Monday 01 June, 2026**.

I hope the upcoming week offers your family a chance to slow down, spend quality time together, and recharge. Wishing everyone a safe, happy, and relaxing half-term break.

Thank you, as always, for your continued support and partnership.

Have a lovely weekend.

Hot Chocolate With The Head

I had the pleasure of meeting with students from the Attenborough Community this week, with Deputy Community Leader Ms Parchment also joining us.

Myles and Noah (Year 7), Duncan and Finley (Year 8), alongside Max (Year 9) were a complete delight to spend the morning with. Sharing all of the subjects they are enjoying and talking about the topics they are working on as well as their hobbies and interests.

Well done to each of them on their hard work and commitment to doing their very best.

Summer Uniform

In order to keep students cooler and more comfortable when at school in the higher temperatures of June and July, we will be moving to our summer uniform after half term.

Students will not be required to wear ties or jumpers during this half term. However, we will be maintaining our high expectations of uniform and to ensure our students remain looking smart all students should ensure their shirt or blouse is tucked into their trousers, shorts or skirt and that skirts are of a decent length.

We hope this adaption to our uniform policy for the second half of the Summer term will assist our students in remaining comfortable and focused on their learning to the end of the academic year.

Thank you for your continued support in ensuring that students arrive at school wearing the correct uniform and maintaining our high uniform expectations.

Have a restful half term break.

When to Ask for Help

Let your child know that asking for help is a strength, not a weakness. Whether it's a friendship issue, a mistake they've made, or something they have seen online—they need to know you are in their corner. Reassure them that you will always listen and help them find the right support.

Please contact your child's tutor, community team or safeguarding@sackvilleschool.org.uk if you have any concerns/questions around your child's safety. You can also contact the following organisations, depending on where you live, to get more advice.

Book of the Week

Book of the Week

The book of the week is *the Explorer* by Katherine Rundell. Rundell is an award-winning young adult fiction author, with books like the Rooftoppers and Impossible Creatures. In the Explorer, Rundell gives us a thrilling adventure about children lost in the Amazon rainforest after a plane crash.

Additionally, we continue to run our 300-word story competition, which is open to all years. Stories can be in any genre, but should be submitted to the library.

Find it Out Thursdays

This is a chance for students to explore different professions and learn from those that are in that industry and can give a first hand experience. Different industries are highlighted each week and students have the opportunity to attend one talk per half term. When these terms talks have been confirmed, students will be able to sign up using a Google form that will be sent out. Students can come along and start to investigate career paths open to you and discover the skills that you will be required to develop to join that industry.

Lost Property

Please can we ask that you check the lost property list above for items missing and encourage students to look in lost property for their missing items. Can we remind parents to name everything for a much higher chance of relocating lost property to their rightful owner.

Movement that inspires
 ABOUT THE COMPANY

In Motion Collective exists to empower young ballet and contemporary dancers to move with intention, express with honesty, and perform with joy. We break down the boundaries between technique and emotion, encouraging artists to shine whilst nurturing a bold new generation of performers whose voices are heard through movement.

Our vision is to redefine how young dancers experience training and performance, valuing expression as highly as technique, and courage as highly as control. At In Motion Collective, dancers are not shaped to fit a mould, instead, they are encouraged to move, speak, and create with fearless authenticity. Here, individuality is celebrated, and every dancer is supported to explore the full range of who they are through movement.

Performers will take part in three months of rehearsals in preparation for a live stage production. The performance is designed to help each dancer develop their own unique style, blending classical ballet technique with contemporary movement.

Who we are

Our dancers began their journey with us in 2015, and have since grown into a talented and professional performing arts company. We are proud to have a diverse range of artists, all of whom are passionate about their craft and their community.

Show Date: Sunday 13th December 2024 (at Cumnor House School)

Age: Open to all aged 8-18

Opportunities: solos, duets, small groups and large group dances. We welcome all children and experienced - no prior experience needed!

Fees: £240.00 (includes all tuition & rehearsal, company kit, costumes and shoes)

Step into a live stage performance

Being a part of In Motion Collective means your dream will be working towards a professionally produced performance, giving dancers the chance to be part of a high-quality, theatrical production. Our aim is for every child to feel supported, confident, and excited throughout the process, enjoying the experience whilst discovering their individual strengths on stage!

Our production this year will be:
"Sleeping Beauty"

a classic fairy tale, set in a beautiful woodland setting with the classic tale of The Sleeping Beauty

Rehearsals at In Motion Collective are designed to be fun, friendly and a positive experience for all dancers. Rather than competing to be the best dancer, they are simply in opportunity for us to get to know each other, see what they can do, and ensure they are placed in the most suitable roles within the show.
