TOGETHER WE ACHIEVE

Families Bulletin

Monday 15 June 2026 - Friday 19 June 2026

HEADTEACHER'S MESSAGE

Dear Families

We have come to the end of another busy and productive week where amongst many other things, we have welcomed our new Year 7 (September 2026) and their families in for their personalised transition meetings; Year 10 completed their mock cooking exams; our Year 12 Geographers went on a trip to London to support their course; and we ran an amazing trip to Birmingham to visit the Big Bang Fair (STEM) in Birmingham engaging the curiosity of 90+ students from years 7- 9, all of which had a fantastic time.

We also had a visit from our West Sussex School Improvement Partner (they complete three visits every year for each school). Her visit was focused on English and it was lovely to see and hear some of the developments we have been working on in Teaching and Learning being implemented by staff. She also commented on the excellent behaviour of our students and the really positive staff/student relationships. Next week, we will welcome a group of senior leaders from our Federation schools to complete our annual peer review, where they will be looking more broadly across the school and we welcome their feedback.

One highlight of my week was visiting Estcots school. We have been running a project with an amazing group of our Sixth Formers who have been going across on a weekly basis to support their students. Some have worked in full class settings and others on a 1:1 basis. Reading the feedback this week was so special. You can see a couple of examples below: One student wrote "Acelya is brilliant and really kind. She has helped us with our learning and we love it when she comes into our class". A member of staff from Estcots wrote; "Barnaby is led by his child in play and has been fantastic at getting the best out of this child. The child has certainly shown his fun personality which shows he trusts Barnaby, which in just a few weeks is fantastic."

Finally, we are also hosting the Federation Inclusive Sports day next Friday which is the latest in a series of student focus events with our Federation partners and we are really looking forward to welcoming students to our school.

Jo Meloni
Headteacher, BA (Hons), NPQEL, CPCC

Week: A

Timetable: 3 + 2

Hot Chocolate With The Head

I had the pleasure of meeting with students from the Holmes Community this week and learning a little more about them.

A big well done to Eadie - (year 7) Dexter - (year 8) - George - (year 8), Joshua - (year 9), Eddie - (year 9), Sam - (year 10) and Molly - (year 12) who have been doing brilliantly recently, demonstrating values such as community, teamwork and resilience.

Molly from Year 12 also joined us and spoke about a leadership role she had undertaken in supporting the Federation dance show. Creating these opportunities for our students is one thing, seeing them grow and talk about it eloquently is something else. Well done to Molly for being such a positive role model.

Jo Meloni
Headteacher

300 - Word Story Competition

300-WORD STORY COMPETITION

Shortlisted stories will be added to a Sackville Anthology...

Write an epic story in exactly 100 words. Any genre, any theme - just make it amazing!

Deadline: Wednesday
July 1st 2026

Submit your story in the LRC

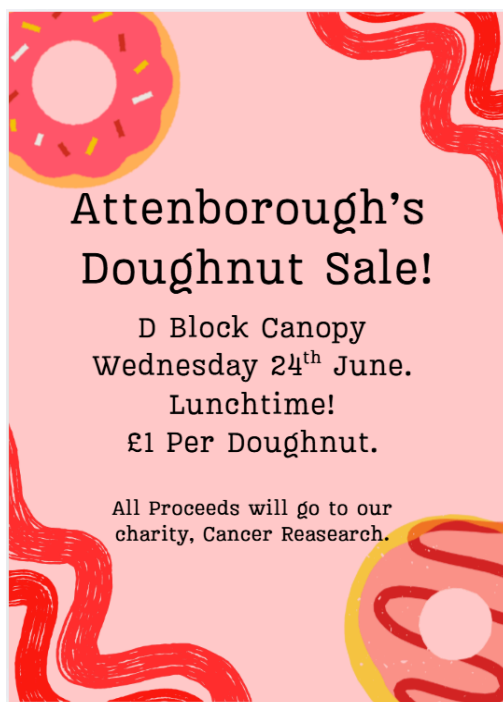

Remember to include...
Your name, form group and the title of your story

Community Competition

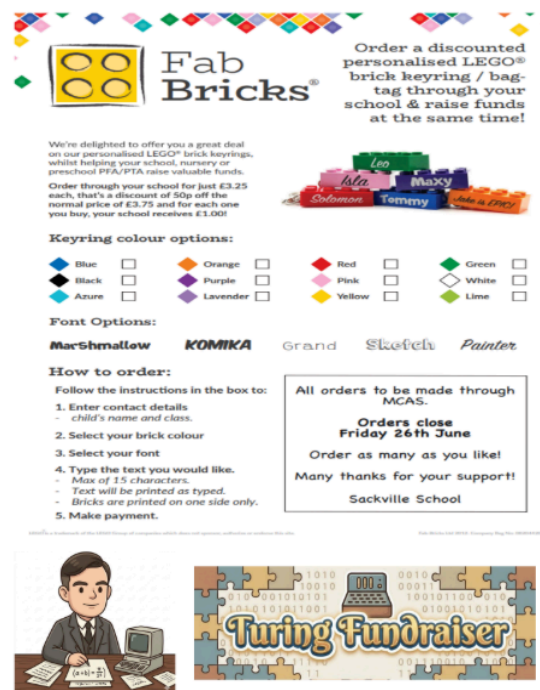

Arts Fest

The music and drama departments are busy arranging an exciting programme of performers for our upcoming Arts Fest. Whilst some students will be invited to take part (eg. members of extra curricular groups, Super Ex classes etc.), the concert is open to all students who wish to perform. Students will receive details of how to audition with Mr Webb or Ms Whitmore next week, but can also get in touch via email - awebb@mysackville.co.uk or hwhitmore@mysackville.co.uk

Attenborough Fundraising

Fab Bricks - Turing Fundraiser

To raise funds for our Charity (Cancer Research) we are asking our Attenborough students to donate doughnuts for our sale on Wednesday 24 June.

Student Voice

The focus of assemblies this week has been 'being the pebble' and how small actions by many can have a big impact. As such we are asking students to take part in a piece of student voice set by the Children's Commissioner for England. Students in KS3 will do this as part of their Computer Science lessons in the coming weeks. Please could you ask other students at the school to take part

<http://www.childrenscommissioner.gov.uk/thebigfuture>

KEEPING OUR STUDENTS SAFE IS EVERYBODY'S RESPONSIBILITY

Digital Safety - SnapChat

Over the last week I have been tackling some different issues with SnapChat misuse. I have done research around this and came across this article which I thought was worth sharing.

An ITV News investigation has highlighted a sharp rise in serious safety concerns involving Snapchat. The National Crime Agency (NCA) reports receiving roughly 100 potential child abuse referrals from Snapchat *every single day*.

The core issue isn't just online messaging; it is how easily online contact can translate to real-world danger. Perpetrators are explicitly using the app's features to target and track young people, occasionally locating them in physical spaces like local parks or even identifying school routine hotspots.

The government is currently discussing potential under-16 social media bans, while safety organisations like the NCA and NSPCC are pushing for tech companies to completely redesign or remove dangerous features. In response, Snapchat has stated they are working to continuously evolve their safety mechanisms and cooperate with law enforcement.

Rather than panicking, we can take immediate, practical steps to protect our children. Here are the three most effective actions we can take at home right now:

- **Turn Off Location Sharing ("Ghost Mode"):** This is the most critical step. The app features a live map called 'Snapmap'. Open Snapchat, go to the map settings (the gear icon), and enable **Ghost Mode**. This completely hides your child's physical location from everyone else on the app.

- **Restrict Contact Settings:** Ensure your child's account privacy is set so that only approved "Friends" can contact them or view their stories. Check that the "Quick Add" feature is turned off so their profile isn't randomly suggested to strangers.
- **Foster Open Communication:** Children often hide online bullying or grooming because they fear they will get in trouble or have their devices confiscated. Reassure them that they can come to you if anything makes them feel uncomfortable, no matter what.

Our school remains fully committed to digital safety, but these apps exist inside our children's bedrooms and personal spaces. By taking a few minutes to lock down these settings together, we can significantly reduce the risks and keep our families safe.

If you want to read the article for yourself then you can do that [here](#), if you need any advice or want to talk through your concerns please feel free to reach out.

Book of the Week

This week sees the launch of the **World Cup of Reading**, where we will be pitting some new reads up against each other. In tutor time, students will be finding out about, and voting on, 8 books - selected by our wonderful KS3 Book Club.

This week we are at the quarter final stage, with the following match-ups.

Quarter Final 1:

A Series of Unfortunate Events - Lemony Snicket v *The Butterfly Lion* - Michael Morpurgo

Quarter Final 2:

Dogs of the Deadlands - Anthony McGowan v *The Explorer* - Katherine Rundell

Quarter Final 3:

Kid Normal - Chris Smith & Greg James v *King of Nothing* - Nathanael Lessor

Quarter Final 4:

Skandar and the Unicorn Thief - A.F. Steadman v *A Darkness of Dragons* - S.A. Patrick

If you'd like to play along, email us your votes at zangella@mysackville.co.uk and lrogers@mysackville.co.uk

Sackville News

We also publish a half termly newsletter and the latest edition can be seen here: [Sackville Newsletter](#).

Next publication date: **Wednesday 22 July 2026**

Current Vacancies

We have two support staff roles available at the moment. If you would be interested in any of the following or know anyone else who may be, please call Katie Dawson, Headteacher's PA for more information, or apply directly following these links:

Futures - Find It Out Thursday

Find it Out Thursdays

This is a chance for students to explore different professions and learn from those that are in that industry and can give a first hand experience. Different industries are highlighted each week and students have the opportunity to attend one talk per half term. When these terms talks have been confirmed, students will be able to sign up using a Google form that will be sent out. Students can come along and start to investigate career paths open to you and discover the skills that you will be required to develop to join that industry.

Next term we have talks from people in the Police Force, Human Resources and Financial Services Project Management with more to be added. If you are interested in any of these talks please use the google form attached in this [link](#) to sign up.

Thursday 04 June 2026 - Police

Thursday 18 June 2026 - Human Resources

Thursday 02 July 2026 - Financial Services Project Management

We are always looking for people to come in and speak to students about their jobs and professions. Would you be willing to share your experience and join

part of our Find it out Thursday program? Please

contact Helen Smith on

hsmith@sackvilleschool.org.uk.

Please find information on Degree Apprenticeships

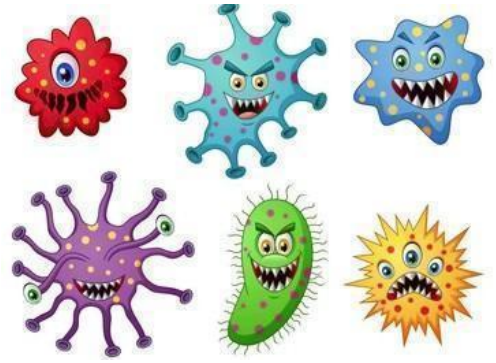

here.

Medication, Illness and Vaccines

NHS Guidelines

Please find some useful information [here](#) from the NHS on when to keep your child off school.

Medication

To ensure that we continue to support students when they are unwell, we need to make sure our records are up-to-date. As a school we will continue to administer ad-hoc medication as per the consent slip you have completed. If you wish for this to change, please contact the relevant year team. Should your child be diagnosed with any new medical condition please contact us.

In addition, should your child's medical condition change (i.e., they no longer need to use their inhaler) please contact their community team.

We will continue to provide the support and medical assistance you have already agreed to unless we hear from you.

Illness

In order to keep the more vulnerable members of our school community safe, a reminder to inform the school if your child contracts any of the following: Chickenpox, Shingles, Measles or Mumps. Please call the relevant community office, thank you in advance.

Lost Property

Please can we ask that you check the lost property list above for items missing and encourage students to look in lost property for their missing items. Can we remind parents to name everything for a much higher chance of relocating lost property to their rightful owner.

In Motion Collective - Local Performance Opportunity for Students

In Motion COLLECTIVE

Love to dance? Love the stage?

Join our dynamic Ballet & Contemporary company this winter - for dancers aged 8-18 of all abilities and aspirations, offering the opportunity to train in a fresh, modern style and experience the magic of performing in a professional theatre.

No pressure - just passion, creativity, and unforgettable stage moments. Come dance, perform, and shine with us.

Rehearsals - Sundays term time September to December
Show Night - Sunday 13th December
Cumnor House Sussex
infoinmotioncollective.co.uk

Movement that inspires
ABOUT THE COMPANY

In Motion Collective exists to empower young ballet and contemporary dancers to move with intention, express with honesty, and perform with joy. We break down the boundaries between technique and emotion, encouraging artists not only to become a performer but also to become a person whose voice is heard through movement.

Our vision is to redefine how young dancers experience training and performance, valuing expression as highly as technique, and courage as highly as control. At In Motion Collective, dancers are not shaped to fit a mould, instead, they are encouraged to move, question, and create with freedom and authenticity. Here, individuality is celebrated, and every dancer is supported to explore the full range of who they are through movement.

Performers will take part in three months of rehearsals in preparation for a live stage production. The performance will feature a story that tells a compelling story, blending classical ballet technique with contemporary movement.

Who we are

Our company is a dynamic and professional team of dancers, choreographers, and stagehands, all of whom are passionate about dance and performance. We are a company that is committed to excellence, and we are proud to be a part of a community that values creativity, hard work, and the magic of the stage.

Who we are

Our company is a dynamic and professional team of dancers, choreographers, and stagehands, all of whom are passionate about dance and performance. We are a company that is committed to excellence, and we are proud to be a part of a community that values creativity, hard work, and the magic of the stage.

The journey to the stage

Venue: Cumnor House School, London Road, Chichester, Hampshire, PO19 1ET

Schedule: Rehearsals run every Sunday from 20th September to 10th December (during term time)

Rehearsal: Sunday 28th June 2026, 8:30-10:00 (at Cumnor House School)

Show Date: Sunday 13th December 2026 (at Cumnor House School)

Age: open to all aged 8-18

Opportunities: roles, solos, small groups and large group dances. We welcome all abilities and experience - we're going to have fun!

Fee: £240.00 (includes all tuition & rehearsal, company ticket, costumes and shoes)

Step into a live stage performance

Being a part of In Motion Collective means you'll be able to experience a professionally produced performance, giving dancers the chance to be part of a high-profile, theatrical production. Our goal is for every child to feel experienced, confident and excited throughout the process, enjoying the experience and discovering their own talent and stage.

Our production this year will be:
"The Journey to the Stage"

A shorter, more intimate production with the classic tale of the Sleeping Beauty.

STEM - University Pathway

Silver STEM Futures: University Pathway

STEM Futures: University Pathway (previously known as Virtual Insight into University) is a comprehensive virtual experience that helps students explore STEM degrees, apprenticeships, and related careers. It offers access to university life, STEM projects from top UK universities and global companies, first-year lectures, and live sessions with academics, admissions tutors, apprentices, employers, and current students.

Course topics

- Hear from STEM professionals at top UK companies, from early-career apprentices to senior leaders and recruiters, about their journeys, inspirations, and projects.
- Join exclusive live Q&A sessions with STEM professionals, admissions officers, students, and professors in a supportive environment.
- Get expert advice on university applications, interviews, admissions tests, student finance, and support services.
- Take part in hands-on STEM activities like bridge building, creating an academic poster, and flight experiments.

"I absolutely loved the course. It has helped me discover my true passion, and love which I hope to pursue in the future."

100% of students increased their awareness of STEM opportunities available to them

92% of students felt the skills and knowledge gained from the course would have a positive impact on their future studies or career.

Course requirements and registering your interest

This course is open to all students aged 16+ who have a genuine interest in STEM subjects and is suitable for all abilities. To apply, please visit our website [here](#).

Summer Holiday HAF Camp

active future

SUMMER HOLIDAY HAF CAMP

Active Future is delighted to be working in partnership with West Sussex County Council to deliver our Summer Holiday Activities & Food (HAF) Camp for children eligible for FREE school meals, also with the option of parent paid places. This summer, children aged 5 - 12 will enjoy an exciting carousel of high-energy activities including Futsal, NERF Challenges, Dodgeball, Soft-Tip Archery, and Creative Arts & Crafts... and much more!

Our camps provide a fun, active, and inclusive environment where children can build confidence, learn new skills, make friends, and stay active during the holidays. All abilities and SEND participants are warmly welcome. Each day includes a nutritious hot meal, healthy snacks, and drinks.

When

Dates: 14 days across July & August

Time: 9 am - 3 pm

Where

Jubilee Community Centre, East Grinstead RH19 2HL

Who

Martial Arts

Why Martial Arts?

Martial arts is more than just physical activity—it's a powerful tool for personal growth. Our sessions are designed to align with the national curriculum and promote:

- Physical Fitness: Improved strength, flexibility, coordination, and cardiovascular health.
- Discipline and Focus: Martial arts instills self-control, concentration, and a strong work ethic.
- Confidence and Self-Esteem: Children gain a sense of achievement through progression and goal-setting.
- Emotional Resilience: Students learn to manage stress, channel energy positively, and develop a growth mindset.
- Anti-Bullying and Self-Defence Awareness: We teach children how to stay safe, be assertive, and

Aim

Working with schools

Our aim is to introduce an exciting opportunity for your school to enhance its Physical Education provision and PPA cover through a dynamic and enriching partnership with MF Martial Arts.

We offer...

1. PPA Cover
2. PE Lessons & Assemblies
3. Courses, tailored to each individual schools requirements

Termly courses

We are proud to offer tailored PPA cover, PE lessons, or a course of martial arts sessions designed specifically for primary and secondary school settings. Our sessions are led by fully qualified, DBS-checked instructors who are passionate about supporting children's physical, mental, and emotional development through martial arts.

About us.

MF Martial Arts empowers children through structured martial arts training building confidence, discipline, and resilience. Our aim is to help every child thrive—physically, mentally, and emotionally—by fostering respect, focus, and self-belief in a supportive environment. We inspire growth, encourage positive behavior, and nurture lifelong skills for success and wellbeing.
