Dear Families

BTEC National Business Unit 3 (Personal and Business Finance) Revision Resource

As your child prepares for their upcoming Unit 3 Finance exam on the morning of Monday 11 January 2027, we are looking at ways to best support their revision. Educational research consistently shows that classroom learning is most effective when supplemented by targeted practice at home.

To aid this process, we highly recommend the tutor2u BTEC National Business Unit 3 Calculation Practice Book. This workbook is specifically designed to help students master the essential financial calculations required for this exam.

We are pleased to be able to pass on the benefit of a school discount for this resource:

- **School Price:** £7.95

Next Steps and Payment

While purchasing this book is by no means compulsory, previous cohorts have found this specific calculation workbook incredibly useful for building confidence ahead of the exam.

Financial Support

If your child is eligible for financial support from the 16–19 Bursary, the school may be able to cover the cost of this resource. Please contact the Sixth Form team for assistance, or find more information [here](#).

Thank you for your continued support in helping your child achieve their full potential.

Yours sincerely

Ms Elaine Benjamin

Curriculum Leader of Business, Law and Economics
