

09 July 2026

Dear Families

Curriculum Enhancement Week (CEW) - Port Lympne - Friday 17 July 2026

My name is Andy Blackmore, and I am overseeing the Port Lympne trip on Friday 17 July 2026. I am writing today to share important information regarding expectations, our itinerary, and general advice to ensure the experience is as safe, successful, and enjoyable as possible.

We will meet in **The Sackville Centre (Sixth Form area)** for registration at **8.00am**. We will be taking registers as normal during both the morning and afternoon sessions. Excellent attendance and punctuality are incredibly important so that we can kick off our activities on time.

Assuming the summer weather cooperates, please ensure your child comes prepared with:

- **Sunscreen:** Ready to apply throughout the day.
- **Appropriate Clothing:** Comfortable, weather-appropriate clothing suitable for outdoor activities.

The Itinerary for Friday 17 July: Port Lympne safari park

- 8.30am - Depart from Sackville
- 10.00am - Arrive at Port Lympne
- 11.00am - Gorilla Talk 1
- 11.45am - Gorilla Talk 2
- 1.40pm - Safari
- 5.30pm - Depart from Port Lympne
- 7.00pm - Arrival at Sackville

I am really looking forward to spending the day with the students. If you have any questions, concerns, or specific updates regarding your child ahead of this trip, please do not hesitate to get in touch - ablackmore@sackvilleschool.org.uk.

Yours sincerely

Mr Andy Blackmore
