

14 July 2026

Dear Families

I am writing to provide you with information for the carousel activities for Curriculum Enhancement Week. There are three activities; board games, cake baking and a football tournament. The days and meeting points are as follows:

Group A (Year 7)

- Wednesday 15 - Board games in M04
- Thursday 16 - Cake Baking in A31
- Friday 17 - Football on the field (next to the tennis courts)

Group B (Year 8)

- Wednesday 15 - Cake baking in A31
- Thursday 16 - Football on the field (next to the tennis courts)
- Friday 17 - Board games in M04

Group C (Year 9)

- Wednesday 15 - Football on the field (next to the tennis courts)
- Thursday 16 - Board games in M04
- Friday 17 - Cake baking in A31

Students are to wear their own clothes for board games and cake baking but will need to wear sporty clothes or their PE kit for the football activity. Trainers are ok as long as all footwear is sensible, especially for the baking activity. They will need to be wearing suntan lotion and may wish to wear a hat.

Nothing is required to bring in for board games or cake baking, but students with long hair will need to have hair tied back

Please make any allergies known prior to Wednesday.

Please could students be registered each morning in the room of that day's activity, for football they can be registered with me in M03 before heading out to the field.

Yours sincerely

Mr James Liles
Activity Lead
