TOGETHER WE ACHIEVE

Families Bulletin

Monday 06 July 2026 - Friday 10 July 2026

HEADTEACHER'S MESSAGE

Dear Families

It has been another busy week this week despite only having students in for 3 of those days, mostly due to the fact that we had our lovely new Year 6 into 7's with us for their three transition days and met with families for their first information evening on Wednesday. Thankfully most families favoured that event over watching the second half of the England game versus DR Congo but they had a pleasant surprise awaiting once we all got home and saw the score, more on the football later!

We also had our Year 11 into Sixth Form evening last night and it was great to see so many students and families choosing us and ready to start this next important step in their educational journey. We cannot wait to get started with you in September and look forward to seeing you all on **GCSE results day, Thursday 20 August**.

Also, as I write our budding group of STEM club students are out today listening to leading experts in STEM industries and competing against other schools to see if this year's model can hold up under test conditions. They have worked really hard all year showing resilience, commitment, teamwork and striving for excellence. We wish them all the best this afternoon.

Next week:

As we look into next week, we have Year 5's visiting us on Monday and our DT Champions will be heading out for a day at the Brand Museum which is a fabulous new opportunity our DT have added into the calendar this year.

Our annual sports day will be held on Friday and on Thursday we have our second annual ArtsFest event which brings together musical performances alongside drama and art with lots of stalls and games available for all of the family to enjoy in an outdoor family festival type setting. We very much hope you can join us for this. Bring your picnic blankets/chairs and enjoy the performances.

Attendance and football

Finally, as you will likely know, England's next World Cup football match will be played in the early hours of Monday morning. Needless to say this is not a conducive time for children (or working adults) to be watching the game and to be able to stay engaged...and awake fully in school on Monday. We expect full attendance in school right up to the very end of term. We have some fantastic things happen and there is crucial learning taking place right up to the last day and Monday is no exception to this.

We would be really appreciative if you can continue to work with us on this and we will do our very best not to share the score throughout the day, so we can all watch it on record later in the day.

Jo Meloni
Headteacher, BA (Hons), NPQEL, CPCC

Week: B Timetable: 4 + 1

Hot Chocolate With The Head

I had a wonderful morning with students from the Attenborough Community this week. Our conversations very much focused on what they were looking forward to next year as they graduate into the year above. What I really love about these sessions is when older students are giving advice and insights into what is to come to the students in the years below them and the connections that are made, and today was no exception.

Well done to Lilla (Year 7), Archie (Year 7), Darcey (Year 8), Ava (Year 8), Mollie (Year 9), Jemima (Year 9), Jennifer (Year 10), and Isobel (Year 10) everyone of whom has been rightly rewarded for their hard work and dedication to school life.

Jo Meloni
Headteacher

Notice Board

Student Voice

The focus of assemblies this week has been 'being the pebble' and how small actions by many can have a big impact. As such we are asking students to take part in a piece of student voice set by the Children's Commissioner for England. Students in KS3 will do this as part of their Computer Science lessons in the coming weeks. Please could you ask other students at the school to take part:

<http://www.childrenscommissioner.gov.uk/thebigfuture>

Further details can be found here

<https://www.youtube.com/watch?v=LxzqlU8l5Es>

Absence from Results Day

[GCSE Results Day Absence request 2026](#)

This form must be completed by the student who is requesting the results using their school email address. We cannot accept requests from other family members or email accounts

[A LEVEL Results Day Absence Request 2026](#)

This form must be completed by the student who is requesting the results using their school email address. We cannot accept requests from other family members or email accounts.

Donations for Garden

We are hoping to create a garden oasis for our Sixth Formers over Curriculum Enhancement Week. We would be very grateful for donations of planters, pots, plants and garden furniture, tools and decorations to help our vision. Our younger students will be helping to keep the plants alive next year, we are especially hopeful for anything that bears fruit or vegetables to help them enjoy the full cycle.

Donations can be dropped to the Holmes office or reception where we can collect. Thank you in advance

Current Vacancies

We have two support staff roles available at the moment. If you would be interested in any of the following or know anyone else who may be, please call Katie Dawson, Headteacher's PA for more information, or apply directly following these links:

- [Exam Invigilators](#) - Next Interviews in September due to exams

KEEPING OUR STUDENTS SAFE IS EVERYBODY'S RESPONSIBILITY

Book of the Week

This week, we were thrilled to welcome our brilliant new Year 6 students for their exciting transition days! To celebrate this massive milestone, we have decided that a single Book of the Week simply would not cut it. Instead, we are upgrading it to an entire reading list.

This incredible selection is lifted straight from our official **English Transition Booklet**, which was sent out to our incoming Year 7 families on Wednesday. That booklet is absolutely bursting with key information about our English department, along with a sneak peek into some of our absolute top-recommended Key Stage 3 reads!

Sackville News

We also publish a half termly newsletter and the latest edition can be seen here: [Sackville Newsletter](#).

Next publication date: **Wednesday 22 July 2026**

Futures - Find It Out Thursday

Find it Out Thursdays

This is a chance for students to explore different professions and learn from those that are in that industry and can give a first hand experience. Different industries are highlighted each week and students have the opportunity to attend one talk per half term. When these terms talks have been confirmed, students will be able to sign up using a Google form that will be sent out. Students can come along and start to investigate career paths open to you and discover the skills that you will be required to develop to join that industry.

We are always looking for people to come in and speak to students about their jobs and professions. Would you be willing to share your experience and join part of our Find it out Thursday program? Please contact Helen Smith on hsmith@sackvilleschool.org.uk.

Degree Apprenticeships

Please find information on Degree Apprenticeships [here](#).

Medication, Illness and Vaccines

NHS Guidelines

Please find some useful information [here](#) from the NHS on when to keep your child off school.

Medication

To ensure that we continue to support students when they are unwell, we need to make sure our records are up-to-date. As a school we will continue to administer ad-hoc medication as per the consent slip you have completed. If you wish for this to change, please contact the relevant year team. Should your child be diagnosed with any new medical condition please contact us.

In addition, should your child's medical condition change (i.e., they no longer need to use their inhaler) please contact their community team.

We will continue to provide the support and medical assistance you have already agreed to unless we hear from you.

Illness

In order to keep the more vulnerable members of our school community safe, a reminder to inform the school if your child contracts any of the following: Chickenpox, Shingles, Measles or Mumps. Please call the relevant community office, thank you in advance.

Lost Property

Please can we ask that you check the lost property list above for items missing and encourage students to look in lost property for their missing items. Can we remind parents to name everything for a much higher chance of relocating lost property to their rightful owner.

Community Clubs, Sports, Services and Events

Summer Holiday HAF Camp

active future

SUMMER HOLIDAY HAF CAMP

Active Future is delighted to be working in partnership with West Sussex County Council to deliver our Summer Holiday Activities & Food (HAF) Camp for children eligible for FREE school meals, also with the option of parent paid places. This summer, children aged 5 - 12 will enjoy an exciting carousel of high-energy activities including Futsal, NERF Challenges, Dodgeball, Soft-Tip Archery, and Creative Arts & Crafts... and much more!

Our camps provide a fun, active, and inclusive environment where children can build confidence, learn new skills, make friends, and stay active during the holidays. All abilities and SEND participants are warmly welcome.

Each day includes a nutritious hot meal, healthy snacks, and drinks.

When: Dates: 14 days across July & August
Time: 9 am - 3 pm

Where: Jubilee Community Centre, East Grinstead RH19 2HL

Who: Ages: 5 to 12 years
For children who are eligible for related Free School Meals and parent paid places

A limited number of paid places are now available for families who are not eligible for Free School Meals. To book one of these places, Scan QR code in the bottom right

Martial Arts

Why Martial Arts?

Martial arts is more than just physical activity—it's a powerful tool for personal growth. Our sessions are designed to align with the national curriculum and promote:

- Physical Fitness: Improved strength, flexibility, coordination, and cardiovascular health.
- Discipline and Focus: Martial arts instills self-control, concentration, and a strong work ethic.
- Confidence and Self-Esteem: Children gain a sense of achievement through progression and goal-setting.
- Emotional Resilience: Students learn to manage stress, channel energy positively, and develop a growth mindset.
- Anti-Bullying and Self-Defence Awareness: We teach children how to stay safe, be assertive, and

Termly courses

We are proud to offer tailored PPA cover, PE lessons, or a course of martial arts sessions designed specifically for primary and secondary school settings. Our sessions are led by fully qualified DBS-checked instructors who are passionate about supporting children's physical, mental, and emotional development through martial arts.

Aim

Working with schools

Our aim is to introduce an exciting opportunity for your school to enhance its Physical Education provision and PPA cover through a dynamic and enriching partnership with MF Martial Arts.

We offer...

01. PPA Cover
02. PE Lessons & Assemblies
03. Courses, tailored to each individual schools requirements

About us.

MF Martial Arts empowers children through structured martial arts training, building confidence, discipline, and resilience. Our aim is to help every child thrive—physically, mentally, and emotionally—by fostering respect, focus, and self-belief in a supportive environment. We inspire growth, encourage positive behavior, and nurture lifelong skills for success and wellbeing.

Home to School Transport - East Sussex

If the bus, train or coach is late, wait 20 minutes before going home or making your own way to school. Make sure you know what your parents or carers would like you to do if this happens.

Get on and off any vehicles carefully and let other passengers get off before you get on. When you get on, find a seat and stay in it for the whole journey. Use seatbelts if they are fitted. If there are no seats and you have to stand, move to allow others on the vehicle. Do not stand close to the driver and do not distract them.

If you are on a public bus, ring the bell once when you are near your stop, unless someone else has already rung it. Wait for the vehicle to fully stop before leaving and make sure you have all your belongings.

Behaviour

Treat everyone with respect, and follow instructions given by the driver and transport staff. If your behaviour on any transport is not what is expected, your school and the County Council may suspend or ban you from transport.

If you are told you are suspended or banned from travelling, it will be your parents' or carers' responsibility to get you to and from school. They will also be responsible for any damages or cleaning required as a result of your behaviour.

Bullying

Bullying of any kind will not be accepted on any transport, at any time. If you are being bullied or you see any bullying happening, tell someone you can trust as soon as possible. This could be a friend, teacher or family member. Stay calm and don't retaliate, make sure you keep a record of what happened. Listen and talk to your friends and support them if they are being bullied.

If you or someone you know is being bullied and would like advice, please speak to someone at your school or for more information visit our website at: eastsussex.gov.uk/bullying

Home to school transport

Information for parents, carers and pupils

eastsussex.gov.uk

This leaflet contains information for parents/carers and pupils on home to school transport services. Please contact the Admissions and Transport team if you have a query about entitlement to free transport.

Important information for parents/carers

Transport arrangements

The Transport Hub team will make a pupil's transport arrangements only following approval by the Admissions and Transport team. Once approved, we will usually arrange a travel pass for use on a public bus or train, or a school bus which is contracted by East Sussex County Council.

You will be sent an email requesting that a photo be uploaded for the free travel pass. Photo passes are required for contracted and public buses and trains. For public buses you will receive a Freedom Pass which can be used on most public bus services in the County on weekdays and weekends during term time. Please take note of any restrictions on use and charges for replacement passes.

Behaviour

Pupils are expected to behave appropriately on school transport, public buses and trains. The County Council, schools, Police and transport providers treat poor behaviour and vandalism very seriously. CCTV from the vehicles may be used and disciplinary action may be taken.

Disciplinary action may include privileges taken away at school, detentions and even exclusion, depending on the behaviour. Transport operators have the right to refuse entry to a bus, coach or train if the child is causing a problem or endangering others. Damage to a vehicle may have to be paid for.

The County Council will support bans from school transport where appropriate. If your child continually misbehaves or endangers the safety of school or public buses, they will lose their place on school transport. If your child is banned or loses their place on school transport, you will be expected to make your own arrangements to take your child to and from school.

Bullying

Bullying of any kind will not be accepted on any transport, at any time. If your child is being bullied on school transport, please report it to the school and the Transport Hub. For further advice please visit our website at: eastsussex.gov.uk/bullying

Bad weather

If there is bad weather overnight, please check eastsussex.gov.uk and school websites. If your school is closed, don't send your child to their stop. If your school is open there may be delays to transport, so make sure your child knows what you want them to do if their transport doesn't arrive.

Your school may decide to close early. All efforts are made to ensure there is transport in place. Please make sure your child knows what you want them to do in these circumstances. Sign up for closure alerts from your child's school at eastsussex.gov.uk/alerts

Missing the bus

Please make sure your child is on time for the bus, train or hired transport. If they miss it, you may need to make alternative arrangements to get them to or from school. Please make sure your child knows how and where to contact you. If your child is involved in any after or before school activities you will need to arrange transport.

Emergencies

If there is an emergency, your child should listen to instructions from the driver who needs cooperation from all passengers to ensure their safety. Please also ensure that you have the contact details for the operator of your service to and from school in case you need them, and that your child knows how to contact you or another carer.

Moving house

If you move house, we need to know:

- Free transport pass holders – Contact the Admissions and Transport team to confirm if transport is still free.
-

- Paying transport pass holders – Contact the Mainstream Transport team to update them.

We cannot guarantee immediate transport if changes are short notice. It will be your responsibility to get them to school in this case.

Lost travel pass

Your child is responsible for having a valid pass. Without one, they may be refused transport. If your child has lost their pass you will need to apply and pay for a new one. Further information is available online on the East Sussex County Council website eastsussex.gov.uk

Important information for pupils on the journey

A quick guide for when you are travelling to and from school on buses, trains or coaches.

Passes

Always show your pass to the driver or at the station. If you don't have your pass with you be prepared to pay for travel.

Only you can use your pass, you can't swap or borrow anyone else's. Keep your pass somewhere safe and in good condition.

Safety

When walking to the bus stop or train station, walk in groups where possible. If it's dark, make sure you are wearing reflective clothing. When you cross a road, make sure you are paying attention; don't wear headphones, use crossings where you can and don't cross behind large vehicles as you can't see behind them.

Try to arrive ten minutes before your coach, bus or train is due to leave. When waiting for your train, stand back from the platform edge.
