Dear Families

## Sackville Languages Week 2026

The Languages Department is excited to be hosting Sackville's second annual Languages Week from Monday 21 - Friday 25 September 2026, celebrating the linguistic and cultural richness of our school community. We have an exciting programme of events for students which will spark their curiosity for, interest in, and experiences of languages and language learning. The week will culminate with European Day of Languages on Saturday 26 September, and you can find out more about the day itself by visiting this [link](#).

Please see the list of events below, including - where necessary - prices and links to consent forms. Form tutors will also provide further information on Monday morning but, should students require any other information, they are welcome to speak to their languages teacher at any point during the week.
