

02 September 2026

Dear Families

I hope you had a wonderful summer break and that you and your child are ready for an incredible autumn term ahead.

I am writing to update you on the wide range of Extra-Curricular opportunities that will be available to your child this term.

Next Wednesday, I will send out the official autumn timetable. Activities will officially begin on Monday 14 September 2026.

Here are the key details regarding sessions and bookings:

- **Session Times:** Activities run either during lunchtime or after school from 2.55 pm to 3.55 pm.
- **How to Book:** Spaces can be booked directly through the MCAS app by selecting the Clubs tab.
- **Attendance & Rewards:** Activity leaders will take a register in ClassCharts for every session. Students will receive two achievement points for each session they attend!
- **Session Capacity:** To keep groups manageable, space limits vary per activity. If a student misses more than two sessions without speaking to the group leader beforehand, their spot will be made available to another student.

With the variety of activities on offer this term, we strongly encourage students to take full advantage and try attending two or more sessions each week.

Thank you for your continued support, and we look forward to an exciting term of extra-curricular learning and fun!

Yours sincerely

Mr Ashley Vallally-Godfrey
Associate Assistant Headteacher
