

Families Bulletin

Monday 28 September 2026 - Friday 02 October 2026

HEADTEACHER'S MESSAGE

Dear Families

Earlier this week I hosted a visitor to our school, an experienced Headteacher and CEO of a small multi academy trust. His visit was part of an initiative we are working on with a group of schools to share strategies around attendance. Why am I telling you this you might ask? Apart from raising awareness of all of the hard work all schools are doing right now to try and improve school attendance back to prepandemic levels, I wanted to share his observations.

After spending the day speaking to staff and students, visiting lessons and looking at the way students interacted at break times he was blown away by what he saw. His parting words to me were 'Jo, you have such a lovely school here. The students were well behaved, polite and courteous.' He went on to say how focused they were in lessons and the relationships he witnessed between them and staff and that the staff he met were fantastic. Whilst he didn't tell me anything I don't already know, it is always lovely to hear such positive feedback.

Year 10 Information Evening

On that same note, I am sitting writing this after a really successful Year 10 Information Evening. It was really lovely to welcome just over a third of the families from Year 10 who were able to join us for an informative evening aimed at helping to guide their children through this next stage in their education. They heard presentations from Maths, English and Science as well as Beliefs and Values which will be the first GCSE they sit at the end of this year. There was also a fantastic session on study skills.

Feedback received from families as they left for the evening was really positive. If you weren't able to make the session and for those who did. All resources and presentations will be put up on our Hub on the school website in the next couple of days.

Open Mornings

Continuing on the theme of positive feedback, it has been wonderful to welcome so many prospective parents and students to our open mornings this week and hear their positive feedback about our school. Our students, as always, do us proud when they show visitors around the school and this week was no exception. We have two more open mornings next week on Wednesday and Thursday, so please pass this on to anyone who may have missed our Open Evening or just want to see the school 'in action'.

Today is a little quieter in school with the vast majority of Year 7 out on a trip. I am really looking forward to hearing how they all got on. There may be a few extra tired people going home this weekend.

Jo Meloni

Headteacher, BA (Hons), NPQEL, CPCC

Hot Chocolate with the Head

It was a delight to meet a few students who are new to our school community this morning from the Angelou Community. Lily (Year 7), Kahlan (Year 8) Kimberly (Year 10) and Sesandi (Year 9) have all settled in really well and I am looking forward to seeing them build in confidence over the next year. They have already got off to a flying start so I have high hopes.

Joining them were Rosie (Year 9), Tilly (Year 10) and Gethin (Year 11) each nominated for their fantastic start to the year and demonstrating values such as Ambition and Positivity.

Well done to each of them,

Road Closure Update

B2110 1425 College Lane, East Grinstead Combined Bridge Repairs / Gas Main - Road Closure Start Date: 05 October 2026

- Please be advised that, to allow for the repairs to the 1425 College Lane Bridge, works are due to start on 05 October 2026 and last approximately six weeks, until 13 November 2026. In order to minimise disruption it will be working in collaboration with Scotia Gas Networks, who will be installing approximately 500 metres of new gas main along College Lane between Cranston Road and the Lewis Road / High Street junction at the same time.

To enable these repair works to be done safely, these combined works will be done in four phases, noting these may be subject to change

- Lane Closure (05 October to 23 October): Initial bridge repairs will be carried out under a lane closure using two-way lights.
- Phase one road closure (26 October to 29 October): Remaining bridge repair works and initial gas main diversion works north of the bridge will be completed under a full 24hr road closure from Cranston Road to De La Warr junction, requiring a short diversion.

- Phase two road closure - (29 October to 04 November) remaining bridge repair works and gas main diversion works south of the bridge will be completed under a full 24hr road closure from immediately north of the bridge to just north of Old Road junction. The exit out of De La Warr and Old Road may be closed.
- Phase three road closure - (05 November to 13 November) resurfacing of bridge works and remaining gas main works at the southern end of College Lane will be completed under a full 24hr road closure from immediately north of the bridge to the junction of High Street / Lewes Road. The exit out of De La Warr and Old Road onto College Lane will be closed.

West Sussex County Councils FAQs regarding this can be found [here](#)

Book Of The Week

When the Sky Falls - Phil Earle

During the Second World War, Joseph unexpectedly finds himself caring for Adonis, a huge silverback gorilla at the local zoo. Phil Earle's *When the Sky Falls* is a gripping, emotional adventure about courage, loyalty and unlikely friendship, best suited to KS3 readers who enjoy historical fiction with real jeopardy and heart.

"It is tense, moving and almost impossible to put down."

Expectations of a PE lesson

If your child is not able to take part in a PE lesson, please could you contact their teacher, preferably via email the day/night before, or a handwritten note by a family member, which should be handed to their teacher at the start of their PE Lesson.

Kit expectations can be found on the school website.

If your child does not provide a reason for non-participation or is missing an item of kit, they will receive a negative point reported on Class Charts. If they receive three points, this will automatically trigger a 20-minute detention.

Your child's PE Lessons can be found on the noticeboard in the PE corridor; this gives all the necessary lesson information up to the summer term.

Further reminders

- Non-school trainers should be worn for PE lessons
- Gum shields are recommended for hockey and rugby
- Aerosol deodorants are banned from being used within the changing rooms.

PE and School Fixtures

These can be found on [SOCS](#). Details of fixtures, dates, timings, and venues, etc can be found there. If your child is due to take part, the teacher in charge of that fixture will contact you with the details.

The password for further details will be required. That password is: RH19Sports

Medical Changes

Please keep us up to date with any medical changes for your child. Use the link to the Google Form below, and we will update our records in school - [Medical Update Form](#).

Current Vacancies

We have two support staff roles available at the moment. If you would be interested in any of the following or know anyone else who may be, please call Katie Dawson, Headteacher's PA, for more information, or apply directly following these links:

- [Catering Assistant](#) - Closing date Monday 28 September 2026
- [Premises Officer](#) - Closing date Friday 02 October 2026
- [Performing Arts and Audio Visual Technician](#) - Closing date Friday 09 October 2026
- [Exam Invigilators](#)

Sackville News

We also publish a half-termly newsletter and the latest edition can be seen here: [Sackville Newsletter](#).

Next publication date: **Friday 23 October 2026**

Futures - Find It Out Thursday

Find It Out Thursdays

This is a chance for students to explore different professions and learn from people who are in that industry.

Each week, a different professional comes in to talk to students about the different aspects of their job, how they entered that industry, the skills and qualifications required, and the different routes available to students thinking of joining that sector. Students have the opportunity to ask those in the know and get first-hand information.

Students can sign up for one talk each half term, so please encourage them to sign up using the Google Form shared with them and take advantage of this opportunity. [Link](#)

Autumn Half Term

This half term we are lucky enough to have the following people coming in to speak to students

- **Norland Nannies**

Would you like to be a fully qualified nanny or like to investigate what is involved?

If so, sign up for this talk to find out more.

- **Vets**

Is veterinary medicine an industry you would like to join? Would you like to work with animals?

Come and hear about the industry and what is involved in looking after people's pets.

If you or someone you know would be willing to come in and speak to students about your profession, how you joined it, and what qualifications and routes are open to people. Hearing from people who are doing it day to day is invaluable to students while they explore options open to them. If you would be willing to come in and inspire the younger generation, please contact Helen Smith on hsmith@sackvilleschool.org.uk.

Medication, Illness and Vaccines

NHS Guidelines

Please find some useful information [here](#) from the NHS on when to keep your child off school.

Medication

To ensure that we continue to support students when they are unwell, we need to make sure our records are up-to-date. As a school, we will continue to administer ad-hoc medication as per the consent slip you have completed. If you wish for this to change, please contact the relevant year team. Should your child be diagnosed with any new medical condition, please contact us.

In addition, should your child's medical condition change (i.e., they no longer need to use their inhaler), please contact their community team.

We will continue to provide the support and medical assistance you have already agreed to unless we hear from you.

Illness

In order to keep the more vulnerable members of our school community safe, a reminder to inform the school if your child contracts any of the following: Chickenpox, Shingles, Measles or Mumps. Please call the relevant community office. Thank you in advance.

Lost Property

Please can we ask that you check the lost property list above for items missing and encourage students to look in lost property for their missing items. Can we remind parents to name everything for a much higher chance of relocating lost property to their rightful owner.

Crawley Town - Player Development Programmes

We are currently still looking for players to join both our Boys and Girls programmes

Boys Programme:

- The Elite and Development Programme is the first step in our pathway towards our senior team. The goal of the programme is to help improve technical ability and knowledge of the game through high-quality sessions and fixtures during half terms. We aim to give players opportunities to grow and progress with us through the age groups, with the chance to represent Crawley on a national stage in the U16-U19 Education Programme.
- We are in a fixture programme with six other professional clubs' foundations. (Swindon, Millwall, Crystal Palace, Fulham, Watford and Luton) We will play fixtures in October, February, April, and May half-term. Players will get the chance to represent Crawley Town FC against high-level opposition across the season and showcase what they have learnt throughout their time on the programme.

Girls Programme:

- The Crawley Town Girls Elite and Development Centre is designed to help girls develop through additional, high-quality training at Crawley Town. Our sessions focus on the key details of the game and developing players' technical, tactical abilities and decision-making. Players also have the opportunity to represent Crawley Town in fixtures against other professional club development centres, putting their skills into practice and experiencing different challenges.

(If you are already signed up to the Parenting Service, please use the Zoom link provided).

To access the online peer support groups you need to have signed up to our service already. You can do this by calling our Help Point Monday to Friday, 10am until 4pm on 0300 303 5652 or email: helppoint@westsussexmind.org

We are a friendly, supportive group and there is no pressure to share if you don't feel comfortable to do so

West Sussex Mind

Parenting Peer Support Drop-ins

July - December 2026 Timetable

New location added

Come and join us in-person:

Worthing - 1-2pm

The Gateway, 8-10 Durrington Lane, Worthing, BN13 2QG

- Tuesday 22nd September
- Tuesday 27th October
- Tuesday 1st December

Southwick - 12-1pm

The Corner House, 45 Southwick Street, Southwick, BN42 4TH

- Wednesday 9th September
- Wednesday 14th October
- Wednesday 11th November
- Wednesday 16th December

Are you a parent or carer to a child/young person who needs some support with their mental health?

You may not know where to start and may need some support of your own. There is no criteria for our drop-in groups, so no concern is too big or too small.

At West Sussex Mind, we know how vital it is for people to talk and share their experiences, so we provide Peer Support drop-ins in person and online, where you can meet our Parenting Team and other parents who can provide some much needed empathy, understanding and support.

Online parenting support drop-ins:
10:00-11:00am

- Tuesday 25th August
- Tuesday 29th September
- Tuesday 3rd November
- Tuesday 8th December

Zoom Meeting ID: 869 2437 6726
Passcode: 131440

Please feel free to drop-in where we can chat and get you registered with the service. Or to register yourself, please call our Help Point Monday to Friday, 10am until 4pm on 0300 303 5652 or email helppoint@westsussexmind.org

Or for more information, please contact parentingsupport@westsussexmind.org

Please note, due to the sensitivity of our discussions, we ask that you attend without your child/young person.

West Sussex Mind
