Dear Families

## Outdoor Education Adventure Day – Thursday 01 October 2026

We are thrilled to offer a select group of students a fantastic opportunity to participate in an off-site outdoor adventure day. Designed to be both enriching and educational, this trip focuses on building key personal skills such as teamwork, resilience, problem-solving, and confidence.

**There is no charge for students to attend this trip.**

### Location and Activities

All activities will be led by qualified instructors from E3 Adventures at Deers Leap Park Outdoor Education Centre (St. Hill Green, East Grinstead, RH19 4NG). Students will take part in a range of exciting activities, including climbing, abseiling, team building, and high ropes.

### Kit List and Requirements

- **Medication:** If your child requires a prescribed inhaler or EpiPen, they must bring it with them, and it must be in date. Students without their required medication will not be able to participate.
- **Clothing:** Students should wear comfortable clothing they do not mind getting dirty (such as tracksuit bottoms). **No jeans.** Layers are essential—please ensure your child brings a spare jumper and a waterproof jacket.
