Dear Families

Year 12 Enrichment - Information and Consent Form

We are delighted that our students have signed up to a varied range of activities on offer for Sixth Form enrichment. The enrichment programme forms a valuable part of our curriculum at KS5 and is aimed at developing the skills of our students through volunteering activities and initiatives, as well as preparing them for life after Sackville.

Enrichment takes place every Wednesday from 2.00pm to 3.00pm. Your child has expressed the desire to volunteer for an off-site activity and will be attending one of the following locations for this activity (your child is aware which venue they will be attending):

- Estcots Primary School - In-class and 1:1 volunteering
- Halsford Park Primary School - In-class KS2 volunteering
- Truscotts Manor Care Home - Volunteering with activities
- Little Fair Care Home - Volunteering with activities.

Please can we ask you to give consent to this by signing your child up via the MCAS app. Without this consent, your child will be unable to start the activity.

Many thanks for your help.

Yours sincerely
